

Customer 360 - overview

Objective

To recognise and celebrate exceptional individuals who consistently elevate the passenger experience at KIAB, through acts of ownership, empathy, and service excellence-forming a vital part of BIAL's continuous journey of recognising excellence under the Pinnacle Awards.

Recognising excellence across the airport ecosystem

Celebrating service heroes who go above and beyond

Eligibility & evaluation parameters

Eligibility Criteria

- The nominee must be a current employee of an organization operating within the KIAB campus
- The nominated initiative must have been implemented between April 2025 to September 2025 for October Cycle
- Self-nominations and nominations by colleagues or supervisors are allowed
- Only entries submitted on the microsite will be considered for evaluation

| Evaluation Parameter | | |
|----------------------|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1 | Clarity of Role & Initiative | Clearly outlines the individual's responsibilities and their specific involvement in the situation or action taken |
| 2 | Impact on Customer Experience | Assesses how the nominee's actions positively influenced the customer's journey—whether through resolving a problem, enhancing satisfaction, or creating a memorable service moment |
| 3 | Sense of Ownership | Evaluates the nominee's initiative in taking charge of the situation, going beyond assigned duties, and demonstrating personal accountability to ensure a positive outcome |
